Karen Littlewood brings stability to OSSTF. She listens, makes connections and takes action.

First elected as President in March 2021 and running for re-election in 2023, Karen Littlewood has been an active OSSTF/FEESO member since 2007. She began teaching elementary in 1991 in York Region, later moving to Simcoe County and becoming a secondary high school teacher in 2007.

Before becoming President, Karen served in multiple capacities provincially and locally. She takes great pride in connecting people and ideas in an effort to strengthen worker power and build the union.

As President for the past 2 years, Karen has worked to serve the OSSTF/FEESO membership at an internal and external level with some international work too. Karen works hard to build relationships and strengthen solidarity, all while emphasizing the overall goals of bettering the lives of our members and protecting public education.

Karen can participate and contribute in meetings conducted in French, although not yet fully bilingual.

Karen works to ensure equity; to collaborate to find creative solutions; is approachable, direct, and honest. She listens, seeks information, replies promptly and works with you to optimize solutions. She is a well-respected voice at the Canadian Teachers' Federation, the Ontario Teachers' Federation, the Canadian Council, the Canadian Labour Congress and the Ontario Federation of Labour.

If re-elected as President, Karen will continue to lead OSSTF/FEESO with integrity and dedication.

As President, Karen Littlewood brings stability, connection and action. Karen Littlewood is working for you.
