the limit!

Digital Learning Webinars

March 2014 – June 2014

E-Learning Ontario is pleased to offer a series of webinars for those boards implementing e-learning and blended learning (i.e., digital learning). Individuals wishing to attend one or more live webinars need only to access the appropriate link at the date and time listed. **All webinars are recorded and archived for future anywhere-anytime access** for those unable to attend them live. Links to recordings are available at <http://community.elearningontario.ca>.

Webinar Descriptions

**Integrations Part 1 of 2-- The Provincial vLE as a One-Stop-Shop for All
Your Digital Teaching and Learning Needs
Monday, March 17, 2014, 3:30 – 4:15 p.m. EDT
<http://elo.adobeconnect.com/p8k2y27wwwm/>**

Join us to learn the latest about integrations within the provincial Virtual Learning Environment. This session will provide you with updates and tips for integrating Adobe Connect, TurnItIn, Homework Help, Gizmos, and Britannica.

**ePortfolio: Part 1 of 3
Creating Pathways to Success Through the Provincial VLE and ePortfolio
Monday, March 24, 2014, 3:30 – 4:15 p.m. EDT
<http://elo.adobeconnect.com/p3ec7yngibp/>**

In this first of a three-part series, we will look at how ePortfolio can be used to support the Education and Career/Life Planning component of the *Creating Pathways to Success* document. We will explore how to put “a process in place at every school to support students in documenting their learning ... in a portfolio”

www.ontario.ca/elearning

ePortfolio: Part 2 of 3
ePortfolio and Boards' Best Practices and Use-cases
Monday, April 7, 2014, 3:30 – 4:15 p.m. EDT
<http://elo.adobeconnect.com/p2nr5rnyio7/>

In the second of our three webinars on ePortfolio, we have invited some boards to showcase best practices and different use-cases for ePortfolio. Learn how boards are using ePortfolio to engage students and document their learning. Explore a variety of elementary and secondary learning examples. Additionally, we will begin to identify how using ePortfolio may open paths into their postsecondary education choices.

Blended in Elementary (Carousels, Content, and More)
Monday, April 14, 2014, 3:30 – 4:15 p.m. EDT
postponed

Are you looking to grow your elementary blended learning program? This webinar will explore ways to do just that! This session is for those who wish to learn more about blended in elementary including how to implement the content, carousels, and graphic interfaces.

ePortfolio: Part 3 of 3 - Setting Up For Success with ePortfolio
Monday, April 22, 2014, 3:30 – 4:15 p.m. EDT
<http://elo.adobeconnect.com/p35h7w7axyv/>

In our third and final webinar series on ePortfolio, we will examine how a student's ePortfolio can be configured to share with external stakeholders whether it be an ePortfolio resumé with an employer, a collection of digital art with a postsecondary institution, or sharing their learning with parents and grandparents.

We're on the Move! Mobile Learning and the Provincial Virtual Learning Environment
Monday, May 5, 2014, 3:30 – 4:15 p.m. EDT
<http://elo.adobeconnect.com/p6vgv27uoi3/>

Join our guests from Desire2Learn as they explore how the provincial Virtual Learning Environment supports mobile learning and teaching. The focus will be on both the student and teacher perspectives on mobile learning and will include a showcase of mobile applications.

www.ontario.ca/elearning

Integrations Part 2 – The Latest Integrations in the Provincial Virtual Learning Environment
Monday, May 20, 2014, 3:30 – 4:15 p.m. EST
postponed

In the second part of our two-part series on integrations, explore the both the rationale for integrating digital learning resources into the vLE and some of the technical aspects of how to integrate. Come and explore the benefits for students and teachers.

It's Math Madness! How the VLE Supports Learning in Math
Monday, June 2, 2014, 3:30 – 4:15 p.m. EST
<http://elo.adobeconnect.com/p8jdhc6fclx/>

Several Ontario school boards have been invited to share their experiences using the provincial Virtual Learning Environment to leverage achievement in math for both the classroom and the EQAO assessments in grades 3, 6, and 9. The focus will be highlighting best practices and different use-cases for technology enabled teaching and learning in math.

Setting up for Summer School Success and Year End House-keeping of Your Org
Monday, June 16, 2014, 3:30 – 4:15 p.m. EST
<http://elo.adobeconnect.com/p2372tj4z2u/>

Can you believe it? Summer is just around the corner already! Join us as we look at best practices for summer school success using the provincial Virtual Learning Environment and a checklist to consider as you wrap up your school year. School boards from across Ontario will be featured to showcase how the vLE leverages student achievement for success in a summer school setting.
