

The Doug Ford Government has pushed The Ontario Secondary School Teachers' Federation (OSSTF/FEESO)

into a Legal Strike Position

TRUSTEES need to tell their Associations to stand up for:

1. Class size average and cap limits that support learning and do not jeopardize student safety. *This means 22:1 average in high schools!*
2. Programming and courses that give students opportunities for their future. *This means no cuts to classes or programs!*
3. Specialized professional supports for students with special needs. *This means having enough resources and education workers available!*
4. A safe, equitable, and supportive learning environment for all students. *This means having sufficient numbers of adult professionals in our schools!*
5. Reasonable and fair compensation that matches the rate of inflation. *This means keeping up with the cost of living!*
