Education Town Hall

To: Presidents and All Members

From: Martha Hradowy, President

For Action

Join OSSTF/FEESO for an important virtual town hall on: The State of Public Education in Ontario.

Across Ontario, workers in public education and post-secondary institutions, students, and families are feeling the effects of increasing pressures on our public schools and campuses. This is a space to come together, share experiences, and talk honestly about what's happening, and where we go from here.

What to expect:

- Panel featuring community members and organizations
- Breakout sessions by Region to connect with other local allies
- Opportunities to share your perspective and hear from others

Who should attend:

Education workers, post-secondary support staff, teachers, families, community members, and anyone who cares about the future of public education in Ontario. All are welcome.

Accessibility:

French and ASL interpretation will be provided.

Date: Tuesday, May 5, 2026

Time: 7:00–8:30 PM (EDT)

Location: Live on Zoom

This is your opportunity to stay informed and help shape the future of public education.

Registration details can be [found here](#).

An English and French poster are attached.
