

Student Achievement Awards 2021 In Honour of Marion Drysdale

GUIDELINES

Kindness is a Renewable Resource

Please review the guidelines carefully as your submission may be rejected if incomplete.

OSSTF/FEESO invites secondary student writers and artists to submit creative work exploring 2021's Student Achievement Awards theme: **Kindness is a Renewable Resource**.

Kindness is a renewable resource. It is something that we all have endless supplies to give. The way we treat each other, animals and even our planet speaks to who we are as human beings. Kindness is caring about other people and things even when they might not care about you. This is kindness. Get inspired by this year's theme "Kindness is a Renewable Resource" and write a poem, short story or essay. Or create a drawing or painting that explores the theme. We even have a category for digital productions such as videos and songs. Share your creative vision with the world!

A student, with the support of an OSSTF/FEESO member who has worked directly with the student, will submit an original piece of writing, visual art or digital media based on this year's theme, "Kindness is a Renewable Resource." The nine provincial winners will receive a cash award of \$1,000.00 and will be invited to the Ontario Secondary School Teachers' Federation Annual General Meeting in Toronto to receive their award.

The Student Achievement Awards celebrate the work of OSSTF/FEESO members (teachers and education workers) and their students. Find out which of the nine categories you will enter at: <http://www.osstf.on.ca/studentachievementawards>.
